

REMARKS

This amendment places the claims in more standard form for U.S. prosecution and corrects minor informalities. It also removes multiple dependencies, and adds new claims 15-18 that are supported by certain of the multiple dependencies that were removed. No new matter is added by the amendment. Entry of the amendment and timely consideration of the amended claims is requested.

If it is determined that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number given below.

In the event the U.S. Patent and Trademark Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 247322003700. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
